FROM THE GRILL

Our steaks are from local award winning herds and are aged for a minimum of 28 days and prepared to exacting standards by our master butchers resulting in maximum taste and tenderness. Few dishes demand such excellent raw material as steak, which is why we place such importance in knowing our farmers and butchers. You are welcome to ask a member of staff to view the steak you have ordered before it is cooked.

All our main courses are served with triple cooked chips, new or pan fried Rosemary & Garlic potatoes and Watercress.
Why not compliment your meal with one of our delightful sauces all made using our own in house stock.
